No more than two (2) persons may permanently occupy a one (1) bedroom Unit, no more than three (3) persons may permanently occupy a two (2) bedroom Unit and no more than four (4) persons may permanently occupy a three (3) bedroom Unit without the approval of the Council. The Owner shall comply with all of the requirements of the health authorities and of all other governmental authorities with respect to the Project.

6. There shall be no structural alteration, construction or removal of any building, fence or other structure in the Project without the approval of the Architectural Control Committee as set forth in Article VI hereof.

1. The Managing Agent is hereby vested with the authority and responsibility for managing the Project as more particularly set forth in subsection 2 hereof. The Managing Agent shall operate under a contract, the initial term of which shall not exceed ten (10) years.

The Council shall have the obligation, right and power to do all things for the management and operation of the Project, and may delegate any or all of these powers to the Managing Agent. Subject to the provisions of the Articles of Incorporation and By-Laws of the Council and these Restrictions, the powers of the Council shall include but not necessarily be limited to the specific acts hereinafter enumerated otherwise. All right, power and authority given herein to the Council shall, at the option of Declarant, remain in Declarant, either directly or through the Council, until either of the following, whichever shall first occur: (1) such time as all residential dwellings located within the Leisure World - Golden Hills adult community have been constructed and occupied or (2) December 31, 1983.

2. The Council, through its Board and/or the Managing Agent, and for the benefit of the Lots and the Owners in the Project, may

acquire and may pay for out of the carrying charge fund hereinafter provided for, the following:

(a) Water, sewer, refuse disposal, fire protection, electrical, master antenna and gas and other necessary utility service for the Lots, if not separately charged for the Units.

(b) (2) Such policies may be blanket policies covering more than one Project, the property of Declarant or any of the foregoing, if the Council and Declarant pay their proper share of the premium. The Council shall be deemed trustee of the interests of all Owners in any insurance proceeds paid to it under any such policies, and shall have full power to receive and to receipt for their interests in such proceeds and to deal therewith.

(c) Workmen's compensation insurance to the extent necessary to comply with any applicable laws.

(d) Such other policies of insurance as the Council may deem appropriate.

(e) The fees and charges for the Managing Agent as well as such other personnel as shall be necessary or proper for the operation of the lot areas located outside Units and the providing of the various services enjoyed by the Owners in the Project which are approved from time to time in the annual operating budget of the Council.

The Council may elect to maintain and repair stoves within a Unit. The Council shall have no responsibility to provide the services referred to in this paragraph until the first Lot is sold by Declarant.

(h) If the Council has incurred any liability or paid any costs or expenses for a single Unit or Owner, the cost thereof shall be especially assessed to the Owner of such Unit.

(i) The amounts necessary to pay any other outside person or entity its charges for its services and facilities furnished to the Owners, including all charges of the Association in connection with, without limitation, its operating and maintenance of community facilities and services, streets and recreation areas.

3. Neither the Council nor the members of its Board shall be liable for any omission or improper exercise by the Manager of any such duty, power or function so delegated.

4. The Council shall provide for an annual independent audit of the accounts of the Council and a copy of such audit shall be available for inspection by any Owner within thirty (30) days after completion thereof.

5. The Council is authorized and empowered to grant such licenses, easements and rights of way for sewer lines, water lines, underground conduits, storm drains and other public utility purposes as may be necessary and appropriate for the orderly maintenance, preservation, and enjoyment of the lot areas located outside of Units or for the preservation of the health, safety, convenience and welfare of the Owners, over those portions of such lot areas upon which no building or other structure has been erected.

6. The Managing Agent or any person authorized by the Council may enter any Unit in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which it is responsible.

7. If for any reason, the obligations of the Council as contemplated hereunder fail to be carried out as required hereby, such obligations shall nevertheless continue to exist and be fulfilled by all Owners. Such Council obligations shall constitute a covenant of obligation running with the Project, and may be enforced by any Owner, the Association, or Declarant, for all of whose benefit this provision is intended. In the event such covenant is breached, the Declarant and/or the Association may, at their option, elect to perform such obligations, in which event they shall enjoy all privileges of the Council as set forth herein, including the right to impose liens to enforce collection of assessments pursuant to Article V hereof.

ARTICLE IV

Membership in Association

The Association has been formed for the purpose of acquiring by contribution or purchase the community facilities. To this end, the Association shall have the power and right to do all things either

necessary or desirable in connection with the ownership, management and operation of the community facilities including without limitation the power and authority set forth in these restrictions, subject only to the conditions and limitations set forth in the Association's Articles of Incorporation and By-Laws as they now exist or as they may from time to time be amended.

Each Owner of a Lot shall be a non-voting member of the Association (the voting member in the Association shall be a representative of the Council, appointed by the Board); provided, however, that until (1) such time as all residential dwellings located within the Leisure World-Golden Hills adult community have been constructed and occupied, or (2) December 31, 1983, whichever shall first occur, all right, power and authority granted to the Association shall, at the option of the Declarant, remain in the Declarant and its successors and assigns as more particularly provided in the Articles or By-Laws of the Association.

All costs and charges of the Association incurred in connection with the acquisition, maintenance, improvement and operation of the community facilities shall be and remain the obligation of the Owners other than the Declarant and its successors and assigns. The Board of Directors of the Association shall from time to time determine the amount of such cost or charges ("Association charges") for the ensuing fiscal year on an estimated basis and each Owner responsible for such charges shall pay monthly to the Association, either directly or through the Council, an amount equal to one-twelfth (1/12th) of such Owner's proportionate share of such costs and charges. Each Owner's proportionate share of such costs and expenses shall be equal to the aggregate of such Association's charges divided by the number of Lots in the development.

To facilitate the collection of the Association's charges the Association shall advise the Council of each project within the development of the charges to be collected for the ensuing fiscal year from each Owner responsible for such charges and the amount of such charges may be added to the Carrying Charges to be paid by each Owner to the Council (or to the Association, if it is handling the collection function).

ARTICLE V

Carrying Charges - Assessments - Liens

1. Each Owner (including the Declarant and its successors, except as to Association charges) after the initial conveyance of any Lots in the Project shall pay to the Council a monthly sum referred to herein as "Carrying Charges" equal to one-twelfth (1/12th) of the Owner's proportionate share (which shall be either (1) an equal division among all Lots on costs which are relatively equal among Units, or (2) on the basis of number of occupants, size of Lots and Units thereon, or degree of usage, when such factors are a major influence on cost, or (3) on the basis of the relative value of each Lot and improvements thereon to all Lots and appurtenant improvements in the Project of the sum as estimated by the Council and Association to meet its annual expense, including but not limited

to the following items:

(a) The cost of all operating expenses of the Project and services furnished, including charges by the Council for facilities and services furnished.

(b) The cost of necessary management and administration.

(c) The amount of all taxes and assessments levied against the property of the Council or which it is required to pay.

(d) The cost of such insurance as the Council may effect.

(e) The cost of furnishing water, gas, fire protection, master antenna, electricity, garbage and trash collection and other utilities to the extent furnished by the Council.

(f) All reserves set up by the Council.

(g) The estimated cost of repairs, maintenance and replacements of the property to be made by the Council.

(h) The cost of providing recreational, medical and operational services.

(i) Such sums as are payable to the Association as the Owner's prorata (based upon the number of Lots) share of the charges of the Association in accordance with Article III hereof.

The Council shall determine the Carrying Charges from time to time. Said sums shall be estimated on an annual basis and divided by the number of months remaining in the then current fiscal year; but in no event shall the Owner be charged with more than his proportionate share thereof as determined by the Council. That amount of the Carrying Charges required for payment of any capital expenditures shall be credited upon the books of the Council as a contribution. Nothing contained herein shall require the Declarant to pay any portion of charges imposed by the Association, by virtue of ownership of any Lot then unsold but available for sale to Lot purchasers.

2. If the above Carrying Charges or any other assessment, whether regular or special, assessed to the Owner of any Lot, is not paid within ten (10) days after it is due, the Owner may be required by the Council to pay a late payment charge of five per cent (5%) or a minimum of five dollars (\$5.00) of the amount of the assessment.

3. The amount of any Carrying Charge or any other assessment, whether regular or special, or arising by application of this Article V or application of Article VIII, assessed to the Owner of any Lot by the Council or the Association and any late payment charge attributable thereto, plus interest on such assessment and charge at a rate of ten per cent (10%) per annum simple interest or such lower rate as the Council (or the Association, in the case of Association-related assessments) may designate from time to time, and costs, including reasonable attorneys' fees and costs of recordation, may become a lien upon such Lot upon recordation of a notice of assessment setting forth the matters required by said section, which shall be notice of such lien. Such lien may be enforced by the Council (and/or the Association in the case of Association-related assessments), by foreclosure in the same manner as provided for Real Property Mortgages under the laws of Arizona, but without the right of redemption, and as otherwise provided by law. A certificate executed and acknowledged by the Council (or Association), stating the indebtedness secured by the liens upon any Lot created hereunder, shall be conclusive upon the Council (or Association) and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed Fifteen Dollars (\$15.00).

ARTICLE VI

Architectural Control Committee

1. Architectural Control:

(a) Except for the purposes of proper maintenance and repair, and except as provided in paragraph (c) hereof, no person, persons, entity or entities shall install, erect, attach, apply, paste, hinge, screw, nail, build or construct any signs, lighting, shades, screens, awnings, patio covers, decorations, fences, aerials, antennas, radio or television broadcasting or receiving devices upon any Lot or improvement located thereon.

(b) Except for the purposes of proper maintenance and repair, and except as provided in paragraph (c) hereof, no person or entity shall install, construct or build any signs, walkways, slabs, sidewalks, curbs, gutters, patios, porches, driveways, fences, lighting, decorations, aerials, antennas, radio or television broadcasting or receiving devices, or other structures of any kind, on the Project except for such walkways, fences, lighting, decorations, aerials, antennas, radio or television broadcasting or receiving devices, or other structures which are to be constructed concurrently with the construction of the residential dwellings, residential carports or residential garages on the above described property.

(c) Except for proper maintenance and repair, no person, persons, entity or entities shall perform any of the acts specifically set forth in paragraphs (a) and (b) above until:

(1) The complete plans and specifications, showing the kind, nature, shape, height, material, type of construction, scheme and all information specified by the hereinafter named committee for the proposed alteration, modification, addition, deletion or any other proposed form of change to any Lot, as set forth in paragraph (a), or changes to the property developed for residential use, as set forth in paragraph (b), and

(2) The plan showing the location of such proposed alteration, modification, addition, deletion, or any other proposed form of change, has been approved in writing, as to conformity and harmony of external design with existing structures of the property developed for residential use, by a committee appointed by Declarant, presently composed of Mr. Jack Lake, Mr. Leonard Dueker and Mr. Lewis Letson, or by a representative designated by a majority of the members of said committee, providing, however, that, unless sooner directed by such committee, from and after ten (10) years from the date of recording the initial conveyance to an Owner of a Lot in the Council, the members of this committee shall be appointed by the Board of Directors of the Association. In the event any member is unable or unwilling to serve on said committee, the remaining member or members shall have full authority to approve or disapprove such proposed alteration, modification, addition, deletion, or other proposed form of change and location, and/or appoint a suitable replacement or replacements with like authority, and/or designate a representative with like authority. The membership of said committee or any representative appointed thereby, if other than as stated in this declaration, shall be evidenced by a certificate of identity, shall refer to the book and page number designated by the County Recorder of Maricopa County, Arizona for this declaration, shall be executed by at least one member of said committee and be recorded in the office of said County Recorder; which certificate shall then be conclusive evidence thereof in favor of any person relying thereon in good faith. In the event the committee or the representative appointed by the committee fails to approve or disapprove such proposed alteration, modification, addition, deletion or other proposed form of change and location within thirty (30) days after said complete plans and specifications have been submitted to it, such approval will not be required and this covenant will be deemed to have been fully complied with. Such complete plans and specifications shall be personally

delivered to any member of the committee or mailed to the committee via certified mail, return receipt requested, postage prepaid. The plans and specifications shall be deemed submitted to the committee upon the date of receipt by the committee of such plans and specifications. The committee shall have the right of changing its mailing address by recording an instrument of change of mailing address with the County Recorder of Maricopa County, Arizona, such instrument to refer to the book and page number designated by said County Recorder for this declaration. The committee may charge a processing fee to any person seeking its approval. Neither the committee, nor its representative shall be liable to anyone for actions taken in such capacity.

ARTICLE VII

Mortgage Protection

Notwithstanding all other provisions hereof:

1. The liens created under Article V hereof upon any Lot shall be subject and subordinate to, and shall not affect the rights of the Mortgagee under any recorded first Mortgage upon such Lot made in good faith and for value, provided that after the foreclosure of any such Mortgage the amount of all regular assessments, and all special assessments to the extent they relate to expenses incurred subsequent to such foreclosure, assessed hereunder to the purchaser at such foreclosure sale, as an Owner after the date of such foreclosure sale, shall become a lien upon such Lot upon recordation of a notice as provided in Article V, Section 3 hereof.

2. No breach of any of the foregoing covenants and restrictions shall cause any forfeiture of title or reversion or bestow any right of re-entry whatsoever, but, violation of any one or more of these covenants or restrictions may be enjoined or abated by Declarant, its successors and assigns, and by the Council and/or the Association, by action of any court of competent jurisdiction, and damages may also be awarded against such violations; provided, however, that any such violation shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith and for value as to said property or any part thereof, but said covenants and restrictions shall be binding upon and effective against any Owner of said property, or portion thereof, whose title thereto is acquired by foreclosure, trustee's sale or otherwise.

ARTICLE VIII

Damage or Destruction

1. Restoration and repair of the damage to a Unit shall be made by and at the expense of the Owner of such Unit.

2. Upon failure of any Unit Owner to make restoration or repair, the Council, through its Board may enter such Unit and make such reasonable restoration or repairs as is necessary, and the cost thereof shall be assessed against the Owner of such Unit (who shall be personally liable to the Council therefor) in the manner set forth herein and made a lien upon such Unit,

ARTICLE IX

Amendment

1. Except as provided in paragraph 2 below, this Declaration shall remain in force and effect in perpetuity except the provisions of these Restrictions may be amended by an instrument in writing signed and acknowledged by the president and secretary of the Council, certifying that such amendment has been approved by the vote or written consent of at least three-fourths (3/4ths) of the Record Owners in the Project and such an amendment shall be effective upon its recordation with the Maricopa County Recorder, provided that no amendment shall eliminate or alter the rights of the Association or the Declarant hereunder without the written consent of the Association or Declarant, as the case may be, attached thereto.

2. Until the close of any escrow on the sale of any Lot in the Project area, Declarant shall have the right to terminate, modify and amend these restrictions by the recordation of a supplement hereto setting forth such termination, modification or amendment; providing, however, that when any Lot located within the Project area has been conveyed, the Declarant's right to terminate, modify or amend these restrictions shall thereupon cease, terminate and expire.

ARTICLE X

Encroachments

None of the rights and obligations of the Owners created herein, or by a deed or other conveyance to any such Owner, shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of said encroachments and any other encroachments created by construction of any Unit, roads, lakes, or other improvements as designated or constructed by the original builder, on or adjacent to the Project so long as they shall exist; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful conduct of said Owner or Owners.

ARTICLE XI

Notices

Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by registered or certified mail, it shall be deemed to have been delivered twenty-four (24) hours

after a copy of same has been deposited in the United States Mail, postage prepaid, addressed to any person at the address given by such person to the Council for the purpose of service of such notice, or to the Unit of such person if no address has been given to the Council. If such notice is so sent by regular mail, it shall be deemed to have been delivered when received. Such address may be changed from time to time by notice in writing to the Council.

ARTICLE XII

Right of First Refusal

Prior to the transfer of title to any Lot and as a condition precedent to each and every transfer of title to every Lot, the Owner (or in the event of death or incapacity the Owner's legal representative), his successors and assigns, shall notify the Council in writing by mail, postage prepaid, or actual delivery that the Lot is for sale, the name, age and financial qualifications of the proposed buyer and the terms and conditions of a bona fide written offer to purchase. Thereafter the Council shall have fifteen (15) days from the date of actual receipt to notify the Owner whether or not the proposed transferee meets the prescribed standards. In determining whether a prospective purchaser meets the required standards, the Board may verify that the prospective purchaser(s) (a) is of the age of 45 years or older (b) the proposed resident must have a monthly income equal to total monthly housing expense (principal, interest, insurance, taxes and carrying charges to the Council), (plus \$250 if the Unit is occupied by one person, \$300 if occupied by two persons and \$350 if occupied by three persons); provided, however, that to the extent these persons have net worth in addition to income, the consumption of such net worth in lieu of such income over the remaining life expectancy of the prospective purchaser in lieu of or as supplemental to such income, and (c) has never been convicted of a felony. A prospective purchaser(s) meeting these standards shall be deemed to be qualified for the purpose of this Article. If the proposed transferee has qualified, the Owner may complete the sale and transfer of the Lot. If, on the other hand, the proposed purchaser(s) has not fulfilled the required standards, the Council shall also so indicate in the prescribed fifteen (15) day notice, and the Council may further notify the Owner that the Council has exercised its Right of First Refusal as to the Lot and to present the Owner with signed Escrow Instructions calling for the sale of this Unit to the Council in accordance with the terms and conditions specified in the Owner's original notice to the Council. Failure of the Council to deliver to the Owner at the address of the Lot, or such other address as the Owner may have designated, the above mentioned written notice and appropriate Escrow Instructions, within the time specified, shall be deemed to be a rejection by the Council of its proposed sale. If the Council rejects or fails to exercise its Right of First Refusal, the Owner may then sell the Lot to the proposed purchaser upon the originally proposed terms and conditions, providing that such transfer to the prospective purchaser must be completed within ninety (90) days after rejection or failure by the Council to exercise this Right of First Refusal. Any agreements for

the purchase and sale of any Lot shall be subject to this Right of First Refusal regardless of whether or not the Council has failed or refused to exercise its right to purchase as to a particular Lot in relation to the possible sale of the Lot to the same or to a different potential purchaser. Nothing to the contrary hereinwithstanding, this Right of First Refusal shall not apply to any purchaser at a Sheriff's or Trustee Sale which sale is held under the Sheriff's or Trustee's sale provisions of any Deed of Trust or Mortgage applicable to any Lot.

ARTICLE XIII

Merger

1. Merger of Councils. By the majority vote of the Board of Directors alone, two or more of the Councils of co-owners within the development may from time to time be merged or consolidated into a single council of co-owners, such surviving council to have all the right, powers and privileges under the terms of these restrictions and the declaration of covenants, conditions and restrictions giving rise to any council which is a party to such consolidation or merger. In the event of any such merger or consolidation, all assessments required of the Owner of any Lot or Unit within any Project shall be directly related to the expenses incurred by the successor corporation in connection with the property constituting such Project.

2. Merger of Councils and Association. By the majority vote of the Board of Directors of all the councils of co-owners within the development, and the majority vote of the Board of Directors of the Association alone, all of the councils of co-owners within the development and the Association shall be merged or consolidated into a single legal entity possessing all the power and authority of a council of co-owners with respect to the entire development as well as the power and authority of the Association under the terms of these restrictions and the declaration of covenants, conditions and restrictions of each council which is a party to such consolidation or merger.

3. The merger provisions set forth in Sections 1 and 2 of this Article XIII shall be effective only at such time as all living Units to be constructed in the Leisure World-Golden Hills adult community have been completed.

Deleted by Council

ARTICLE XIV

Remedies

The exercise of any of the rights or remedies as herein provided with respect to any default shall not preclude or affect the subsequent exercise of such rights or remedies at different times and for different defaults.

The respective rights or remedies, whether provided by this agreement or by law, or available in equity, shall be cumulative and the exercise of any one or more of such rights or remedies shall not preclude or affect the exercise, at the same or at different times, of

any other such right or remedies for the same or different defaults, or for the same or different failures of the Owners to perform or observe any provisions of this Agreement.

ARTICLE XV

Blanket Easements

1. There is hereby reserved and created a blanket easement in favor of Declarant, its grantees, successors and assigns upon, across, over and under all of the Project, and the buildings, dwelling Units and other structures now or hereafter erected and existing, including replacements thereof, for the ingress, egress, installation, replacing, repairing, and maintaining (1) all utilities, including but not limited to water, sewers, gas, telephones, and electricity, (2) air conditioning and heating conduits, lines and ducts, (3) a master television antenna system and (4) the lake system located within or adjacent to the Project. By virtue of this easement, it shall be expressly permissible for the providing electrical and/or telephone company or any other entity furnishing any of the services to erect and maintain the necessary poles, lines, conduits, and ducts and other necessary equipment on said property and to affix and maintain the same on, above, across and under the roofs and exterior walls of said buildings, dwelling Units and other structures, in the walls of dwelling Units and under the ground surface of said buildings, dwelling Units and other structures, whether the same are now or hereafter erected and existing, including replacements thereof, provided the same does not interfere with the use and enjoyment of the interior of any dwelling Unit or of any patio, carport, parking area or storage room. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, air conditioning lines, conduits, or ducts or other utilities may be installed or relocated on said premises except as initially programmed and approved by the original builder of said buildings, dwelling Units or other structures, now or hereafter existing, including replacements thereof, unless approved by said builder or the Declarant. This easement shall in no way affect any other recorded easements on said premises.

2. There is hereby reserved and created a blanket easement upon, across, over and under all of the Lot areas located outside of Units in favor of (a) Lot Owners and occupants of the Project or other projects in the development and guests and invitees of such occupants authorized to be with the development, for purposes of ingress and egress to and from other projects in the development and Association-owned areas, and all walking paths, golf cart paths and bridal paths established as part of the entire development shall be preserved for such purpose, and (b) all persons and entities, including Declarant or any contractor working for Declarant, performing work upon or services to the Project or its occupants or such other projects or their occupants, or performing work upon Association property or services to the Association including, without limitation, lawn and garden care; mail delivery; fire fighting and prevention; garbage, refuse and trash collection; ambulance and police or security services; lake repair, restoration or cleaning; construction, repair or maintenance of any improvements now or to be erected upon any such Project or Association

property, provided, however, that nothing herein shall be deemed to permit occupants, invitees or guests to park or drive passenger automobiles, golf carts or similar vehicles or to hike or picnic outside of areas designated for such purposes by the Association. This easement shall in no way affect any other recorded easements on said Premises.

3. Notwithstanding the provisions of Article IX hereof, no portions of this Article XV shall be altered, amended or abrogated without the written consent of the Declarant, the Association, and all other projects then in existence in the development.

ARTICLE XVI

Attorney Fees

If an Owner defaults in making a payment of Carrying Charges or in the performance or observance of any provisions of this Agreement, and the Council or Association has obtained the services of an attorney with respect to the defaults involved, the Owner covenants and agrees to pay to the Council or Association any costs or fees involved, including reasonable attorneys' fees, notwithstanding the fact that a suit has not yet been instituted. In case a suit is instituted, the Owner shall also pay the cost of the suit, in addition to other aforesaid costs and fees.

ARTICLE XVII

Interpretation and Plan of Development

The provisions of these Restrictions shall be liberally construed to effectuate their purpose of creating a uniform plan for the development and operation of the entire development. It is the intention of the Declarant to create other similar projects within the development. However, in the event that the market demand for future projects is insufficient, Declarant reserves the right not to submit any part or all of the development to similar projects. In order to encourage efficiency in the operation of the Council and similar councils hereafter created, it is contemplated by the Declarant that such Councils be merged together under Arizona corporation law for the purpose of directing the operation of the Projects or under their respective jurisdictions. Failure to enforce any provisions hereof shall not constitute a waiver of the right to enforce said provision or any other provision hereof. In case any one of the provisions contained in these Restrictions shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any of the remaining provisions hereof. The terms and conditions hereof shall apply without regard to the number or gender of words and expressions used herein.

IN WITNESS WHEREOF, Declarant has affixed its signature this 7th day of JULY, 1975.
